Good afternoon,

I am sending this email to request an extension of time to comply with SC public Services commission. Some parts of our vehicles were stolen and we had to order the part and take too a mechanic to make sure everything is running good.

-Name of your company: Ebenezer Ride Services LLP

-Docket Number: 2021-262-T

-Order Number: 2021-543

-I would like to request the extension for another month because due to holiday the person that does the inspection is on vacation for two weeks and he ask me to see if we could get an extension.

Sincerely,
Perla De Leon
